# IMPORTANCE OF TIME

1

## DEFINITION

It can make us more productive every day and help us achieve our goals in life. So take control of your time; do not let it control you! The value of time is something that everyone understands.

2

## VALUE OF TIME IN LIFE

Time is so important, in fact, that if you did not have any, you could not do anything at all. There are many things that we can do with our time: We can spend it on leisure activities, such as sleeping, watching TV, reading or going for a walk; on work or study; on raising a family; or on helping others.
